Where's My Authorization Form?

Employing departments complete an appointment add in Perms to put you on the payroll.

Transaction is routed electronically to Graduate School, then Human Resources and then Payroll Services.

Once your appointment has been added to the payroll system, Payroll Services will create an individual authorization form based upon your salary and funding source.

The first payroll deduction comes out of the 2/10/10 paycheck.

Payroll Services is located in room 236,
