

Curriculum Vitae
Maureen Schmitter-Edgecombe, Ph.D.

Office Address

Department of Psychology
Washington State University
PO Box 644820
Pullman, WA 99164-4820
(509) 335-0170

Home Address

705 SE Pheasant Run Ct.
Pullman, WA 99163

schmitter-e@wsu.edu
(509) 332-1218

EDUCATION

Ph.D. August, 1994	The University of Memphis, Memphis, TN <u>Major:</u> APA Clinical Psychology with specialized training in Neuropsychology
Internship July, 1993-94	University of Arizona Health Sciences Center, Tucson, AR <u>Specialty Training:</u> INS and APA Division 40 Clinical Neuropsychology
M.S. August, 1991	The University of Memphis, Memphis, Tennessee <u>Major:</u> APA Clinical Psychology with specialized training in Neuropsychology
B.S. May, 1988	Bucknell University, Lewisburg, PA <u>Major:</u> Biology with coursework completed for major in Psychology

ACADEMIC APPOINTMENTS

August, 2007	<u>Professor</u> , Department of Psychology, Washington State University, Pullman, WA
August, 2000	<u>Associate Professor</u> , Department of Psychology, Washington State University, Pullman, WA
August, 1994	<u>Assistant Professor</u> , Department of Psychology, Washington State University, Pullman, WA

HOSPITAL APPOINTMENTS

June, 1993-94	<u>Psychology Intern</u> , Department of Psychiatry, University of Arizona Health Sciences Center, Tucson, AR
Summer, 1992	<u>Psychology Summer Intern</u> , Department of Psychology, Veterans Administration Medical Center, Memphis, TN

OTHER PROFESSIONAL POSITIONS

- 2002-04 Director of Clinical Training, Department of Psychology,
Washington State University, Pullman, WA
- 2002- Licensed Clinical Psychologist. Psychology Clinic,
Washington State University, Pullman, WA
- 2000-01 Interim Director of Clinical Training, Department of Psychology,
Washington State University, Pullman, WA
- 1989-93 Therapist. Psychological Services Center,
University of Memphis, Memphis, TN
- 1988-90 Neuropsychology Technician. Cortical Brain Assessment
Laboratory, Baptist Memorial Hospital, Memphis, TN

FELLOWSHIPS, RESEARCH AWARDS, AND HONORS

- 2007 Microsoft and University of Rochester Fellowship to attend Workshop
on Intelligent Systems for Assisted Cognition
- 2004-05 Presented at the Galveston Brain Injury Conference with a Grant from
the Moody Endowment
- 2004 Adams award for Excellence in Graduate Mentorship in Experimental
Methodology, WSU Psychology
- 2003-04 NIA Fellowship to participate in the Psychology of Aging Institute
- 2002 Appointed to the Graduate Faculty in the Program of Neuroscience
- 2002 APA Fellowship to attend an Advanced Summer Training Institute on
Functional Magnetic Resonance Imaging
- 1993 APA Dissertation Research Award Recipient
- 1992-93 Van Vleet Memorial Doctoral Fellowship, University Fellowship
- 1991-92 Van Vleet Memorial Doctoral Fellowship, University Fellowship
- 1990-91 Vidulich Research Fellowship, Departmental Fellowship
- 1990 National Academy of Neuropsychology Student Research Award
- 1989 Phi Kappa Phi, National Honor Society
- 1988 Graduated Cum Laude and with Honors in Psychology,
Bucknell University
- 1987 Sigma Xi, National Honor Society for Biology

FUNDED GRANTS

Smart Environment Technologies for Health Assessment and Assistance. *NIH: National Institute of Biomedical Imaging and Bioengineering*. #R01 EB009675 2010-2014, \$1.2M. MPI.

Integrative Training in Smart Environment and Health Technologies. *National Science Foundation*. IGERT funding. #DGE-0900781 2009-2014, \$2.9M. Co-PI.

Smart Home-Based Health Platform for Functional Monitoring and Intervention. *Life Sciences Discovery Fund.* 2009-2012, \$790,906. Co-PI.

Improving the Everyday Functional Independence of Older Adults with Cognitive and Physical Disability through Technology. *Washington State University, College of Liberal Arts*, CLA Grant Development Award. 2008-2009, Direct Cost: \$14,820. PI.

Promoting Partnerships between WSU and EWU. *Society of Teaching in Psychology.* 2008-2009 \$500. Co-PI.

Cognitive Interventions for Persons with Early-stage Dementia. *Washington State University, College of Liberal Arts*, Edward R. Meyer Project Award, 2007-2008, Direct Cost: \$1000. PI.

Cognitive Recovery following Traumatic Brain Injury. *National Institute of Neurological and Stroke Disorders*, 2004-2009, #R01 NS047690, \$609,250. PI.

Memory Performance Following Severe Closed-Head Injury. *Washington State University, College of Liberal Arts*, Initiation and Completion of Research Projects Grant, 2004-2005, \$600. PI.

Memory Performance and Adaptive Functioning in Normal Aging, Mild Cognitive Impairment, and Alzheimer's Disease Populations. *Washington State University, College of Liberal Arts*, Meyer Grant Development Award, 2003-2004, \$5,000. PI.

Multi-family Group Intervention for Traumatic Brain Injury and Spinal Cord Injury Patients and Families. *U.S. Department of Education*, 2002-2004, #H133G020006, \$450,000. Consultant.

Recovery from Traumatic Brain Injury. *Washington State University, Department of Psychology*, 2002-2003, \$5,000. PI.

Cognitive Aging Longitudinal Research Project. *Washington State University, College of Liberal Arts*, 2000-2001, \$2,000. PI.

Executive Functions and Parkinson's Disease. *Washington State University, College of Liberal Arts*, Initiation and Completion of Research Projects Grant, 2000-2001, \$400. Co-PI.

Acquisition and Retention of Skilled Visual Search following Traumatic Brain Injury. *National Institute of Child Health and Human Development*, 1998-2000, #RO3 HD035838, \$110,638. PI.

Psychology and Aging Curriculum Development. *Washington State University*, Service Learning Curriculum Development Minigrant, 1998-99, \$750. PI.

Traumatic Brain Injury and Cognitive Performance. *Washington State University, College of Liberal Arts*, Initiation and Completion of Research Projects Grant, 1996-97, \$500. PI.

Cognitive Aging. *Washington State University, College of Liberal Arts*, Initiation and Completion of Research Projects Grant, 1995-96, \$500. PI.

Cognitive Aging. *Washington State University, College of Liberal Arts*, Initiation and Completion of Research Projects Grant, 1994-95, \$500. PI.

Cognitive Aging. *Washington State University, Spokane*, Matching Funds, 1994-95, \$500. PI.

The Effects of Divided Attention on the Implicit and Explicit Memory Performance of Control Subjects and Severe Closed-Head Injured Patients. *American Psychological Society*, Dissertation Research Award, 1993, \$500. PI.

The Effects of Severe Closed Head Injury on Three Stages of Cognitive Processing. *The University of Memphis, Department of Psychology*, Vidulich Research Fellowship, 1990-91. \$8000 plus tuition remission. PI.

GRANTS PENDING

Coaptive Framework for Assisted Living. *Human Center Computing: Large: National Science Foundation*, 2010-2014. \$2.9M. Co-PI.

A Multi-dyad Cognitive Rehabilitation Intervention. *Alzheimer's Association*. 2010-2013, 399,966. PI.

RECENTLY REVIEWED GRANT PROPOSALS

Emulating Caregiver-Based Intervention. *Alzheimer's Association*. 2009-2012, 199,765. MPI.

Single-dyad and Multi-dyad Cognition-based Interventions for Early-Stage Dementia. *National Institute of Aging*. 2009-2012, \$600,000. PI.

PROFESSIONAL AFFILIATIONS

2004-2005	Geriatric Society of America
1991-	American Psychological Association (Member)
1991-	International Neuropsychological Society (Member)
1990-	National Academy of Neuropsychology (Member)
1995-2009	The Psychonomic Society (Member)
2001-	Cognitive Neurosciences Society (Member)

EDITORIAL ACTIVITIES

Ad Hoc Reviewer, *Neuropsychology*
Journal of the International Neuropsychological Society
Memory and Cognition
Psychology and Aging
Aging, Neuropsychology, and Cognition
Psychological Bulletin
Journal of Experimental Psychology: General
Journal of Experimental Psychology: Learning, Memory, and Cognition
Neuropsychology Review
Neuropsychological Rehabilitation
Scandinavian Journal of Psychology
Neurocase

- Schmitter-Edgecombe, M., & Karl, T. (1997, November). *Unconscious acquisition and processing of covariations in older adults*. Presented at the Thirty-eighth annual meeting of the Psychonomic Society, Philadelphia, Pennsylvania.
- Vesneski, M., Schmitter-Edgecombe, M., & Jones, D. (1997, November). *Aging and word finding: A comparison of discourse and nondiscourse tests*. Presented at the Seventeenth annual meeting of the National Academy of Neuropsychology, Las Vegas, Nevada.
- Karl, T., Schmitter-Edgecombe, M., & Simpson, A. (1997, November). *Everyday memory failures reported by older and younger adults*. Presented at the Seventeenth annual meeting of the National Academy of Neuropsychology, Las Vegas, Nevada.
- Schmitter-Edgecombe, M., & Rogers, W. A. (1997, February). *Automatic process development following severe closed head injury*. Presented at the Twenty-fifth annual meeting of the International Neuropsychological Society, Orlando, Florida.

- Schmitter-Edgecombe, M. (1996, October). *Effects of divided attention on perceptual and conceptual memory test performance: A process dissociation framework*. Presented at the Thirty-seventh annual meeting of the Psychonomic Society, Chicago, Illinois.
- Schmitter-Edgecombe, M. (1996, August). *The effects of traumatic brain injury on automatic processing*. Paper presented at the One-hundred and fourth annual meeting of the American Psychological Association as part of a symposium entitled "Cognitive Neuroscience Applications to the study of Traumatic Brain Injury".
- Schmitter-Edgecombe, M. & McConnell, J. (1995, November). *The effects of divided attention on conceptual and perceptual memory tests*. Presented at the Fifteenth annual meeting of the National Academy of Neuropsychology, San Francisco, California.
- McConnell, J., & Schmitter-Edgecombe, M. (1995, November). *Effects of severe closed head injury on metamemory*. Presented at the Fifteenth annual meeting of the National Academy of Neuropsychology, San Francisco, California.
- Kibby, M. Y., Schmitter-Edgecombe, M., & Long, C. J. (1995, November). *The relationships between measures of auditory verbal learning and executive functioning in closed head injury*. Presented at the Fifteenth Meeting of the National Academy of Neuropsychology, San Francisco, California.
- Schmitter-Edgecombe, M. (1995, February). *The effects of divided attention on the implicit and explicit memory performance following severe closed head injury*. Paper presented at the Twenty-third annual meeting of the International Neuropsychological Society, Seattle, Washington.
- Fahy, J. F., Marks, W., Schmitter-Edgecombe, M., & Long, C. J. (1995, February). *Dissociations among memory tests following severe closed head injury: Memory system theory versus a processing framework*. Paper presented at the Twenty-third annual meeting of the International Neuropsychological Society, Seattle, Washington.
- Kibby, M. Y., Schmitter-Edgecombe, M. E., & Long, C. J. (1994, November). *The California Verbal Learning Test as a measure of memory functioning in severely head-injured adults and neurologically normal controls*. Presented at the Fourteenth annual meeting of the National Academy of Neuropsychology, Orlando, Florida.
- Schmitter-Edgecombe, M., (1994, February). *The effects of divided attention on implicit and explicit memory performance*. Paper presented at the Twenty-second annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- Schmitter-Edgecombe, M., Kibby, M., & Long, C. J. (1993, October). *Visual selection following severe closed head injury: Focused and divided attention*. Presented at the Thirteenth annual meeting of the National Academy of Neuropsychology, Phoenix, Arizona.

- Kibby, M., Schmitter-Edgecombe, M., & Long, C. J. (1993, October). *The relationship between neuropsychological tests and measures of activities of daily living and work performance*. Presented at the Thirteenth annual meeting of the National Academy of Neuropsychology, Phoenix, Arizona.
- Schmitter-Edgecombe, M., Fahy, J. F., Whelan, J. P., & Long, C. J. (1992, November). *Memory remediation after severe head trauma: Notebook training versus supportive therapy*. Presented at the Twelfth annual meeting of the National Academy of Neuropsychology, Pittsburgh, Pennsylvania.
- Schmitter, M. E., Fahy, J. F., Marks, W., & Long, C. J. (1991, November). *Semantic priming following severe closed-head trauma: Automatic and attentional process*. Presented at the Eleventh annual meeting of the National Academy of Neuropsychology, Dallas, Texas.
- Schmitter, M. E., Fahy, J. F., Marks, W., & Long, C. J. (1990, November). *The effects of severe closed-head trauma on three stages of information processing*. Presented at the Tenth annual meeting of the National Academy of Neuropsychology, Reno, Nevada.
- Fahy, J. F., Schmitter, M. E., Turgeon, A. L., & Long, C. J. (1990, November). *Prospective memory after traumatic brain injury*. Presented at the Tenth annual meeting of the National Academy of Neuropsychology, Reno, Nevada.
- Schmitter, M. E., Jones, C. L., & Long, C. J. (1989, November). *A conceptualization of the neuropsychological functions measured by simple and choice reaction time*. Presented at the Ninth annual meeting of the National Academy of Neuropsychology, Washington, D. C.
- Jones, C. L., Schmitter, M. E., & Long, C. J. (1989, November). *The role of demographic variables in the interpretation of simple and choice reaction time*. Presented at the Ninth annual meeting of the National Academy of Neuropsychology, Washington, D. C.

COMMITTEE WORK

Member, Program Committee, INS Mid Winter Meeting 2010
 Member, Clinical Search Committee
 Reviewer, WSU Spokane Seed Grants (Summer, 2007)
 Member, Seed Grant Review Panel, WSU, Pullman (Spring, 2007)
 Member, CLA Committee for Research and Arts (Fall 2006-present)
 Member, CLA Mission Statement Committee (Fall 2005)
 Member, CLA Grant Development Committee (Fall 2005-present)
 Member, Tri-Cities Search Committee (Fall 2005-present)
 Member, Clinical Search Committee (Fall 2005-Spring 2006)
 Chair, Meyer Professorship Awards Committee (Spring, 2005)
 Member, Graduate Mentor Academy (Fall 2004 – present)
 Member, Safety Committee (Fall 2004-present)
 Director of Clinical Training (Fall 2003-Summer 2004)
 Member, Dean's Advisory Committee on Tenure and Promotion (Fall 2003-Spring, 2005)
 Co Director of Clinical Training (Fall 2002-Summer 2003)
 Interim Director of Clinical Training (Fall 2000 – Summer 2001)
 Member, Graduate, Research and Professional Education University Strategic Planning Design Team (Fall 2000-Spring 2001)
 Graduate Teaching Mentor (Fall 2000-Spring 2001)
 Chair, Tenure Guidance Committees (Fall 2000 – Fall 2001; Fall 2002-Summer 2004)
 Member, Tenure Guidance Committees (Fall 2004-present)
 Member, Undergraduate Studies Committee (Fall 2000 – Fall 2001; Fall 2002-present)
 Chair, Clinical Search Committee (Fall 1999 – Fall 2001; Fall 2003-Fall 2004)
 Member, Clinical Search Committee (Fall 1994 - Spring 1998)
 Member, Community Service Learning Center Advisory Board (Fall, 1998 – present)
 Colloquium Committee, Co-Chair (Summer 1997 – Fall 2000)
 Chair, Student Awards Committee (Spring, 1996 – present)
 Chair, Departmental Ethics Committee (Fall 1995 – Fall 2001)
 Member, Departmental Ethics Committee (Fall 1994-1995; Fall 2002-present)
 Chair, Clinical Graduate Student Recruitment (Spring 2002- Spring 2004)
 Member, Clinical Graduate Student Recruitment (Spring 1995 – Spring 2001; Spring 2005-present)
 Executive Committee (Fall 1996 - Fall 1997; Fall 2000-Fall 2001; Fall 2002-Fall 2004)

TEACHING EXPERIENCEGraduate Courses Taught

Professional, Ethical, and Legal Issues in Clinical Psychology
 Foundations of Neuropsychology
 Clinical Practicum Supervision
 Neuropsychological Assessment Practicum Supervision

Undergraduate Courses Taught

Cognition and Memory
 Honors Introductory Psychology
 Psychology and Aging
