

Announcement/Reminder of Two Important Upcoming Changes

Your Payments to WSU

Beginning fall 2008, MasterCard, Discover, and American Express credit cards will be accepted for tuition, fees, and course-related expenses on your student account as well as room and board charges. These payments will be processed by Official Payments, a company specializing in credit card processing. There will be a 2.5% convenience fee charged by Official Payments. Due to a percentage-based convenience fee being applied (which in most cases is less than VISA's fixed fee), VISA has chosen not to participate, and will therefore no longer be accepted.

To avoid extra fees pay with a no cost e-check. Please visit www.wsu.edu/studacct and click on FAQ for more information.

WSU Payments to You

Effective July 1, 2008, WSU will no longer be handing out checks from the University Receivables Office, due to new federal regulations governing how universities monitor financial aid distributions. WSU will send a deposit to your personal bank account if you've signed up for direct deposit. WSU will mail a check to your primary mailing address if you haven't requested a direct deposit. To authorize funds to be directly deposited, visit myWSU, select Finances, and complete the Direct Deposit Self Service Form.
