

## **PASS WITH DISTINCTION PAPERS FOR DECEMBER, 2002**

At its November, 2002 meeting, the Honors College Council approved the nominations of the following papers for "Pass with Distinction." Members of the Honors Council represent a diverse cross section of the faculty on campus. They read the papers very carefully, looking for substantive content, excellent writing, and potential for publication. The full Council meets in a special session to discuss the papers. Final determination of the Pass with Distinction Awards is made at that time. Student so recognized have a notation made on their permanent university transcript and are recognized at the Honors College Commencement Ceremony.
