

Washington State University

Alcohol and Drug Abuse Research Program

Undergraduate Research Fellowship Application

Due February 24, 2009 for Summer of 2009

Due March 24, 2009 for Fall Semester or the 2009-2010 Academic Year

The Alcohol and Drug Abuse Research Program is seeking applications for undergraduate research fellowships for the summer of 2009 and for the 2009-2010 academic year. Applicants must have contacted a faculty member and have a specific project proposal in mind. Projects must pertain to substance abuse research. Award amounts are as follows:

	Stipend	Supplies
Summer 2009	\$3,300	\$1,700
Fall Semester 2009	\$1,000	\$1,000
Academic Year (2009-2010)	\$2,000	\$2,000

Application Procedure:

- I. Cover Sheet (please use attached form)
- II. Please attach a description of your proposed research project (maximum 2,000 words). Include under bold subheadings the following items:
 - A. Title, Name, Abstract
 - B. Specific Aims
 - C. Background Literature
 - D. Rationale for the Proposed Experiments
 - E. Experimental Design (include treatment groups, doses of drugs, number of animals/group, measurements, data analysis)
 - F. Expected Results
 - G. Discussion of how the results will answer the research question
 - H. Relevance of your project to your faculty sponsor's research
 - I. Time commitment: briefly discuss the time commitment required
 - J. Your role in developing this project and writing this proposal
- III. Have two letters of recommendation sent to the address below to arrive by the grant deadline (February 24, 2009 for summer projects and March 24, 2009 for academic year projects):
 - A. A letter of support from your faculty sponsor, explaining as specifically as possible
 - What assistance you will provide for his or her research program
 - What part you played in developing the project and writing the application
 - B. A recommendation from someone else who has knowledge of your laboratory or problem-solving skills, e.g., a teaching assistant, faculty member, or supervisor

Send Application to Pam Kelley, Office of Grant and Research Development, Neill 423, Mail Stop 3140.
